

PYTHON CODE AND OUTPUT

Date	09 September 2022
Team ID	PNT2022TMID05356
Project Name	Project - Smart Waste Management system foe Metropolitan cities

The screenshot displays the OnlineGDB web interface. On the left is a sidebar with navigation links: OnlineGDB beta, code.compile.run.debug.share., IDE, My Projects, Classroom (new), Learn Programming, Programming Questions, Sign Up, and Login. Below these are social media icons for Facebook, Twitter, and a '+ 30.2K' button. A 'GOT AN OPINION?' survey by ObokutenAI is also visible. The main area features a code editor with a file named 'main.py' containing the following Python code:

```
1 '''
2
3 Online Python Compiler.
4 Code, Compile, Run and Debug python program online.
5 Write your code in this editor and press "Run" button to execute it.
6
7 '''
8 a=1;b=2;
9 if (a<b):
10
11     print("hi")
12
```

Below the editor is an 'input' field and an output console. The console shows the output 'hi' and a message: '...Program finished with exit code 0 Press ENTER to exit console.' The browser's address bar shows 'onlinegdb.com/online_python_compiler'. The Windows taskbar at the bottom indicates the time is 01:03 on 10-11-2022.
